About Us

Kidz Can Play is an exciting program run by Physical and Health Education teachers Chris Stilos, Peter-Chris Tsioros, and Dr. Fotis Karantonis M.D. Our goal is to instill a passion for physical activity and sport in a safe, inclusive, and fun learning environment. We understand and appreciate that each child has different interests, needs, and abilities; and we aim to create an environment that accommodates and improves upon these unique qualities. Our programs also incorporate health and character-building lessons!
